

A photograph of the entrance to Marting's, featuring a large, ornate wooden coffered ceiling and glass walls. The text "DON'T WASTE A DAY." is overlaid in white, with "benefit dinner" in a cursive script below it. The background shows the interior of the building, which is dimly lit and appears to be a grand hall or auditorium.

WHAT:

The Don't Waste A Day Benefit Dinner is in honor of Tyler Lang's life and mission. An ALS warrior that kept an incredible outlook on life, even with a terminal diagnosis. He wanted to help other ALS families and give back to his supportive community.

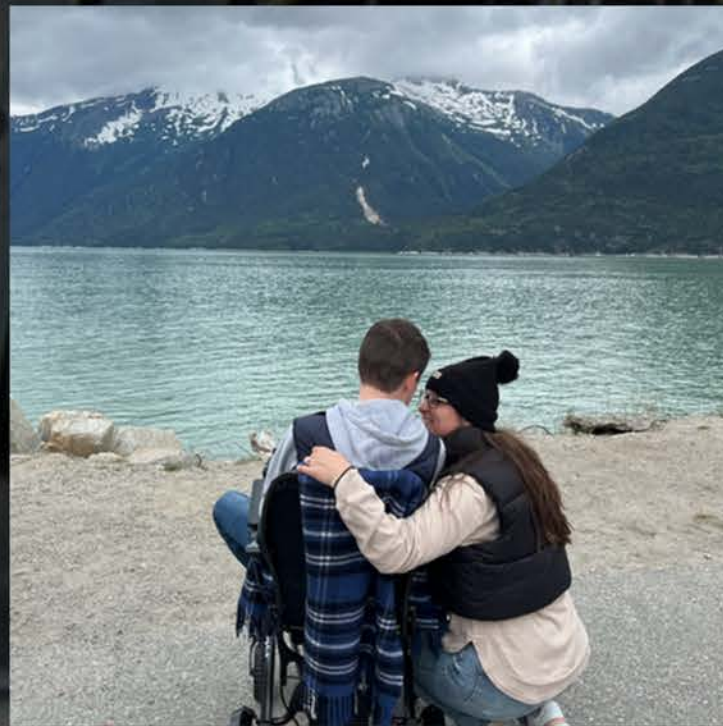

We have teamed up with the **Kevin W. Donovan Foundation**, a charity that sent Tyler and his wife (Mel) on an ALS accessible adventure to Alaska. This charity gives ALS families the opportunity to go on a once in a lifetime adventure or (since so many ALS families have trouble traveling) gives the family an opportunity to create memories that last a lifetime. In partnership with this foundation, these opportunities will be called **Don't Waste A Day Adventures** in Tyler's honor.

The proceeds from this event will benefit the **Kevin W. Donovan Foundation** and Wheelersburg High School via the **Tyler Lang - Don't Waste A Day Scholarship**.
